

### Queen Rania tours teacher skills forum exhibition

Image

Amman, Dec. 6 (Petra) -- Her Majesty Queen Rania Al Abdullah, on Sunday, toured an exhibition held during the Teacher Skills Forum in the Dead Sea.

The exhibition saw the participation of a number of institutions and companies working in the educational field and offering educational solutions through a number of tools involved in the development of the educational process and students as well as providing teachers with multiple ways to enhance their skills and develop students' capabilities.

Her Majesty was briefed on the teachers and educational sector's interaction with the exhibits of modern educational programs and methods of serving the educational process in the classroom.
